NOTES

Wrest Point, The Launceston Country Club Casino, Strahan Village, The Abt Railway and the Harbour Cruise Boat are all owned by the Federal Group, hence the reason for one booking point.

Please any dietary requirements.

May 11th Bayside Inn St Helens - When booking it is recommended that you order a dinner as it is a relatively small town and no other meal is arranged. The Caravan Park members might also like to consider this option.

15th May Dinner VCCA The club is hopeful of being able to do a dinner but is awaiting food handling license. Numbers will be taken during event.

17th May Strahan At this stage it appears that our members won't be able to do the boat and train in the one day. If this is the case they have the choice of doing the boat trip on the 18th which finishes at 2.00 pm and then driving to Burnie which will take about three hours (150 km but windy) in a 50s car or up to four hours in a vintage car.

If this is not suitable the options are to either forego the boat or train or stay another night in Strahan.

18 -20th May Burnie Motels These discounted prices are based on a three night stay. If for some reason you want to stay less you will have to negotiate.

Mar 19th Burnie Yacht Club Please be mindful of this dinner when booking room so that you do not book a hotel dinner on the same night

The Spirit Of Tas fares are listed below and whilst discounted are still dearer than the "Non flexible Spirit Fare" that usually runs. The discounted fare is not flexible but for \$50 can be changed. Generally if you get in early you can do better than the fares quoted below. I suggest that if you want more info refer to Tanya's offer below and talk it over with her.
